Hi Ron,

I can see if we can get some of these items for you by tomorrow afternoon; however, John and Miguel are both out on vacation. If it's not too much trouble for your staff to pick-up some of these items from us at the Administration building.

Also, we will need the sound system back the same day before 6:00 p.m. for a vigil that will take place at the court house.

Thank you.

Patty J

The EPA will be hosting a press conference in regards to the cleaning up of the Passaic River this Wednesday at 11 AM in Riverside County Park near the bocce courts. I have offered to supply them with the following items:

- 20 x20 tent

- 50 to 75 chairs
- Podium
- American flag, State Flag and County Flag & one additional holder for their department flag.
- 6 ft. table.
- Microphone & speakers ( we will need a generator, because there is no electricity in the area)

Dennis Monte has offered to take the lead on this project, but I am asking all of you to give him any assistance you can.
